Mobileworks announces Automotive Franchises and Distributorship Program Feature

Boise, ID. – July 13, 2007 - Mobileworks is pleased to announce the addition of Automotive Franchises and Auto Detailing Distributorship programs.

Since 1996 Mobileworks has offered aspiring entrepreneurs the resources they need to enter into the Auto Appearance Industry. This includes; equipment, supplies and online information with an extensive library of articles submitted by industry leaders, automotive forums and more...

While some prefer to enter into business themselves, others prefer the structure and support that comes with franchise operations.

This new feature will offer information on a wide variety of Automotive Franchise Business Opportunities including:

- Auto Detailing
- Paintless Dent Repair (PDR)
- Car Washes
- Bumper Repair
- Interior Repair
- Oil Change Centers and Mobile Operations
- Glass and Windshield Repair
- and other automotive related business opportunities

Additionally, many detailing suppliers offer distributorship programs and are actively seeking qualified individuals to become distributors for their detailing product lines. Suppliers are encouraged to list their distributorship opportunities to reach this targeted audience.

Mobileworks will launch this new feature in August and is currently accepting reservations for new listings.

Unlike other franchise opportunity listing sites, Mobileworks provides quality, targeted traffic direct from the automotive industry.

Listings will offer massive 1000 word descriptions along with company logo and contact information. To list your automotive franchise or distributorship program, contact Mobileworks at the address or number listed above.

Listings posted in order received so act fast to reserve your space today!
